3. Understand the service and its risks

Sunless tanning temporarily colors the skin. Solution may contain DHA (dihydroxyacetone), bronzers, fragrance, preservatives, or other ingredients. Irritation or an allergic reaction can occur. Tell Natalie about known sensitivities and ask to review product ingredients before service.

Avoid breathing in or swallowing spray and protect the eyes, lips, and mucous membranes. Discuss protective measures before spraying begins. DHA is not approved for those exposure routes. You may stop the service at any time if uncomfortable or if protection is inadequate.

A spray tan does not replace sunscreen or protect you from sunburn. Shade, depth, fading, and longevity vary with skin, preparation, and aftercare; a particular cosmetic result is not guaranteed. Bronzer can transfer to clothing and linens.

4. Preparation, aftercare and appointment policy

Arrive with clean, dry skin, free of lotion, oils, deodorant, perfume, and makeup. Wear loose, dark clothing. Discuss recent shaving, waxing, exfoliation, or skin procedures with Natalie. Follow the product-specific rinse time and aftercare instructions she gives you; avoid water, sweating, and friction during the advised development period.

Arrive at least five minutes early. Allow additional time to find the location, complete forms, or discuss concerns. A paper form is available at your appointment. Late arrival can shorten your service.

Cancellation: Give at least 48 hours' notice by calling or texting 916-997-5960. Less than 48 hours' notice costs 50% of the agreed base service price, except same-day cancellation costs 100%. No-shows or arrival 20 minutes or more late cost 100%. Same-day means the appointment's calendar date in Central time. Only one fee applies; fees are not added together. Natalie may waive a fee for emergencies.

Fees exclude optional add-ons, gratuity, and travel. Prepaid package fees use the amount paid per visit. Fees require prior disclosure and appropriate payment authorization; signing this form alone does not authorize a card charge. No fee applies if Natalie cancels. 5. Consent and limited waiver

I have read this form, had an opportunity to ask questions, and shared relevant information honestly. I voluntarily consent to the agreed spray-tanning service and understand its risks and limitations. I will tell Natalie immediately about discomfort and follow the agreed protective and aftercare instructions.

To the extent permitted by law, I release Natalie Capps, doing business as Golden Touch by Natalie / Healing Touch by Natalie, only from claims for ordinary variation in cosmetic color or fading, and ordinary bronzer transfer, when the service is performed with reasonable care and the risks have been explained. This limited waiver does not release negligence, personal-injury claims, fraud, gross negligence, intentional misconduct, violations of law, or rights that cannot legally be waived. It does not override the stated refund policy.

6. Optional photo permission - choose one

☐ YES: I allow before/after photos approved by me to be used on the business website and social media. My name and private information will not be included without separate permission.

☐ NO: I do not authorize photographs for public or marketing use.

Photo permission is not required for service. If neither box is selected, no permission is given. I may withdraw permission for future use by contacting Natalie; copies already shared by others may not be recoverable.
